PRODUCT GUIDE

EST 1973

City Co Seals established in 1973 sells quality goods that stand the test of time. Uniquely all of the dies and seals manufactured in house are made from metal to give that crisp mark of quality required by professionals. We sell to notaries, government departments, media companies and of course to the general public.

NO.3 HEAVY DUTY MACHINE

This machine is normally used by individuals requiring either a larger diameter, greater reach seal and/o needing to emboss paper up to 200 grams. It can accommodate either a round or a rectangle die. It is made of heat treated aluminium and comes with a iron handle. It is available in 3 colours, silver, bronze and antique looking black and gold.
